Green jobs are decent jobs that contribute to preserve or restore the environment, be they in traditional sectors such as manufacturing and construction, or in new, emerging green sectors such as renewable energy and energy efficiency. At the enterprise level, green jobs can produce goods or provide services that benefit the environment, for example green buildings or clean transportation.

[What is a green job](#)

The Guidelines allow the practical country-level application of a set of conclusions focused on achieving sustainable development, decent work and green jobs. The conclusions were adopted by governments, workers and employers' organizations of the ILO's 186 member States at the 2013 International Labour Conference (ILC).
