First off the title itself is misleading: Green Witchcraft: Folk Magic, Fairy Lore & Herb Craft. By Green she means Wicca, or rather Wicca that uses plants, by Folk Magic she means that she mentions that her family used Folk Magic but she doesn't actually talk about it in any real depth, by Fairy Lore she means that fairies are cool (there is absolutely no lore whatsoever about the fae in this book) and by Herb Craft she actually means Herb Craft.
