This, by far, is the best Klutz book I ever bought for my daughter. I have purchased many Klutz books for her, but this one is her favorite. She has so much fun in making the beaded rings following the instructions from the book. The step-by-step instructions are clearly stated and neatly illustrated with colored pictures.

Brilliant Bead Rings -- Anne Akers Johnson books -- BOOKS etc

Thanks to Klutz, all the important women in my son's life have lovely little woven beaded rings. It would have been nice if there'd been some boys pictured in the book making the jewelry too, but he wasn't put off, and he even made himself a ring that because of his color choice looks like an exploding firework rather than a dainty flower.
