## **Wikipedia**

Review: Luna is a transwoman who was given the name Liam, but first thought herself as Lia Marie and then as Luna. For years, she's only been dressing as herself at night in the basement she shares with her sister, Regan.

**Luna Introduction** Luna may be about typical adolescent angst and the pains of growing up, but Julie Anne Peters's book is a landmark. In 2003, the book was published and became the first young adult novel to prominently feature a transgender character, making it a huge stride for LGBTQ literature.
